JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Guantanamo.—Acting Asst. Surg. Luis Espin reports 3 deaths, due to the following causes: Tubercle of lungs, 1; cerebral congestion, 1; diarrhea and enteritis (2 years and over), 1. Total, 3. Annual rate of mortality for the week, 8.66 per 1,000. During the week 3 vessels were inspected and passed on arrival, 3 vessels were passed without inspection, and 4 vessels, leaving port, received bills of health.

Daiquiri.—No report.

Respectfully,

R. H. VON EZDORF,
Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

Inspection of immigrants at Santiago for the week ended December 14, 1901.

SANTIAGO DE CUBA, *December 14, 1901.*

SIR: I herewith submit report of alien steerage passengers at this port during the week ended December 14, 1901: December 10, provisional flag steamship *Tomas Brooks*, from Kingston, Jamaica, with 12 immigrants. December 14, Spanish steamship *Gaditano*, from Liverpool via Spanish ports, with 3 immigrants. Total, 15.

Respectfully,

R. H. VON EZDORF,
Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

ENGLAND.

Report from Liverpool—Smallpox in Liverpool and London.

LIVERPOOL, ENGLAND, *December 21, 1901.*

SIR: I have the honor to make the usual weekly report for the week ended December 21, 1901.

Two new cases of smallpox have been reported, 1 of which originated in the city. The other was taken from a vessel from Boston, Mass., and Portland, Me. No other quarantinable disease has been reported.

The situation in regard to the plague is, as last week, most encouraging.

In London there were 29 new cases of smallpox on December 14; 14 new cases on December 15; 35 new cases on December 16; 32 new cases on December 17, and 21 new cases on December 18.

Respectfully,

CARROLL FOX,
Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

GERMANY.

Report from Berlin—Experiments to be made regarding the identity of human and bovine tuberculosis.

[Clipping from the Berlin Lokal-Anzeiger, December 18, 1901.]

BERLIN, GERMANY, *December 18, 1901.*

With the object of effectively combating tuberculosis, experiments and examinations will be made by the imperial health office at Berlin regarding the identity of human and bovine tuberculosis. A plan of
